- This is unless it is agreed before game starts

Games

- All 3 games will be played by rally scoring. Every point will count towards the score. Teams play to 21, and must win by 2 points. If tied, the first team to 25 will win, regardless of point difference.
- A volley of the ball clearing the net at least three times will determine the first serve.

Legal Volley

- There will be no Rules regarding men/women hitting the ball. Any combination of players is a legal volley.

Legal Serve

- A ball may touch the net on a serve. If a ball touches the net on the serve and makes it over it is still a live ball and must be played. **Blocking and Receiving the Serve**
- Players are not allowed to block the serve. Players may not make contact with the net while in play, if contact occurs the opposing team wins the point. • Back row player may not attack the ball if in the front row (in front of 10 ft line).
- All rules will be self-called. **Rotation & Tardy Players**
- Rotation of players is allowed but teams must rotate at the same two positions. If a match has started and a player shows up, if the team is not playing at 6 players then that player can immediately step in at the next point as long as the ratios are kept in place to have a legal team. If they have 6 players then that player can rotate in.

Game Forfeit

- A forfeit of the first game will occur if a team does not have the required number of players or the right ratio of players present 5 minutes after scheduled game time or court availability if previous match runs late. Remaining games will be forfeited if a legal line-up is not present 15 minutes after scheduled time or the end of previous match if it runs late. **Cancellations and Make-ups**

- The League Management will never cancel games. The team captains are in charge of making this decision. You must contact League Management of all cancellations as well as the team manager of the opposing team. These games are your responsibility to make up but League management can offer times for possible make-ups if contacted, delavanvolleyball@gmail.com. **Team Rosters and Waiver Forms**

- There will be open rosters. This means that each team may bring in anyone to play for them. However, if you are using a player from another team the opposing team must agree in advance. **League Standings**

- Standings will be determined by the total won and lost. There will be
- 12-13 weeks of regular league play with 2-3 weeks for tournament/weather make-ups. Standings are posted periodically on the website delavanvolleyball.com
